SAFETY TOWN

Summer 2012

Do you have a child ready to start kindergarten in the fall? Don't miss out on sending your youngster to Safety Town, a popular education program offered only during the summer. Your child learns safety awareness in a fun and entertaining way using a child-size Ann Arbor "town" explored on bikes. Guest speakers include:

- "Buster" the talking school bus
- Police officers
- Firefighters
- Health care workers
- Safety experts from the Washtenaw County Coalition

Each child receives a free Safety Town T-shirt. The curriculum covers bike helmets and booster seats, stranger danger, fire safety, riding a school bus, pedestrian safety, etc. Songs, games, stories and art projects reinforce the lessons.

The 2012 program is sponsored by Ann Arbor Public Schools Community Education & Recreation Department in cooperation with the Ann Arbor Police Department. The goal of the program is to help kids evaluate "safe" from "unsafe" when confronted with potentially dangerous situations. We are aware of two incidents when Safety Town training helped save the lives of past participants!

Children entering kindergarten in the fall of 2012 are eligible to attend Safety Town this summer. The program location is at Bryant Elementary School, 2150 Santa Rosa Drive. Choose the session that fits your family schedule:
