

GREEN ADVENTURES CAMP 2011
Daily Field Plan

Wednesday 7/6

Lesson: A “Science Garden”

Field Site: Matthaei Botanical Gardens

Concepts / Topics:

Botanical Gardens
Plant research
Indoor growing
Local insects

Transport: AAPS bus

Required Materials: clipboards, pencils

Activity Plan: Campers will be divided into 4 groups, each to be led by a Matthaei docent.
Groups will rotate through the following activities:

- Guided hike along the Sue Reichert Discovery Trail to look for the winged beauties that live here such as dragonflies, butterflies, and moths
- Greenhouse tour
- Research area tour
